The HealthPartners Institute certifies that

---

(Print Name & Credentials)

has participated in the educational activity titled

### **Managing Complicated Airways**

2018 Life Link III First Quarter

#### **Continuing Education**

This program was designed to meet the requirements for four (4) hours of continuing education. It is up to the individual to determine if this activity meets the requirements for licensure.

#### **Objectives**

*At the conclusion of this learning activity, participants will be able to:*

- Utilize difficult airway prediction concepts to ensure consistent approaches regardless of provider or base.
- Incorporate guidelines and best practices regarding resuscitation to ensure consistent approaches regardless of providers or base.
- Initiate appropriate therapy for specific airway complications based on presentation, ongoing assessment data, ancillary information, and response to previous information.
- Demonstrate effective communication with partner, patient, medical control and hospital staff.
